## Mr Anthony (Tony) Shields BEd

Welcome back to EPS for 2023 and thank you to the school community for helping us have a very smooth start to the year. With class lists being made available last year, the school purchasing the Maths and Spelling books and our focus on keeping class numbers low we have been able 'to hit the ground running' this year and there has been some fantastic learning taking place in all classrooms.

### Information Night Wednesday 15<sup>th</sup> February

Next Wednesday afternoon we are holding our class information evening for families. This is an opportunity to meet your class teacher and hear how things function in your child's classroom. It is also a time to set up an appointment with your class teacher at another time if you wish to do so. Your class teacher will be onsite until 5.30pm if you are unable to make your session time (see below for times) and would like to meet your child's teacher. Further information has and is being sent out. Please note – as always, your children are welcome to attend but they are the responsibility of families.

### **P&C Sausage Sizzle & Annual General Meeting**

School P & C's play a very important role in schools and your group here are outstanding. They volunteer their time with the aim of improving things for your children. It is often a thankless task, but their work is greatly appreciated. As a part of the Information Night the Year 6 Leavers committee will be running a Sausage Sizzle to raise funds for the Year 6 students graduation activities later in the year. The Year 6 leavers are a subcommittee of the P&C and throughout the year most fundraising events see all proceeds go to the P&C but two events annually go towards the year 6 leavers, helping to reduce the costs for these families. After the Information Night the P&C will be holding its Annual General Meeting in the Staffroom from 6 pm. I encourage anyone interested in being involved in the P&C to come along. The more members we get the more events & activities we can run to make your child's journey at school as positive & enjoyable as we can.

### **School Board Nominations**

We have a number of positions available on our school Board and over the next few weeks I will send out information about our board and the important role it plays in the education of your child and the direction of your school. Mrs Nicole Golding (Current School Board Chair) and I will be meeting next week to look at all things to do with the board. If you are interested in nominating for the board, please keep an eye out for further information.

I look forward to seeing many of you here on Wednesday evening and also getting to know you throughout the year.

Kind Regards

Tony Shields
