TONY'S TALK

PRINCIPAL

Mr Anthony (Tony) Shields BEd

Dear Families,

What a fantastic effort from our students at the recent Interschool Carnival! Congratulations to all our competitors, staff and families on an amazing result – we finished 4th out of 9 schools, which is our best result ever! Everyone should feel very proud of their hard work and team spirit.

At this time of year, we start looking ahead to class planning for 2026. With enrolments changing all the time, it can be tricky to finalise classes until we know our final numbers. Right now, we have 422 students enrolled, and we're expecting a similar number for next year.

If you know your child won't be returning in 2026, please let the office know as soon as possible. This helps us with planning and makes sure we have the right number of teachers and classes in place.

Each year, some parents make requests about class placements. While we always do our best to take these into account, we can't make any guarantees. Students with specific needs are always a priority, and where possible, we'll chat with parents about this before the end of the year.

Your ongoing support and understanding mean so much as we work together to create the best learning environment for all our students.

At the end of this year, we'll be saying goodbye to some much-loved staff members:

- Mrs Fitzgerald – retiring after many years of dedicated service
- Mrs Campbell – taking up a promotion
- Ms Herbert – moving to a new school
- Ms Gyles – starting in a new position

We'd also like to acknowledge Mrs Faye Rosher, who will be retiring at the end of Term 1, 2026. We thank them all for their wonderful contributions and wish them every success in their next adventures.

Thank you again for your continued support – it's what makes our school such a special place.

Warm regards,

Tony Shields

On Friday, 24th October, Ellenbrook Primary School attended the combined Swan Valley Interschool Sports Association Athletics Carnival. The day saw nine schools compete for the title of 2025 Athletic Carnival Champion School.

Ellenbrook Primary selected an elite team of competitors from each year group to represent our school at this exciting event. The day was filled with inspirational performances and thrilling team games. The competitive spirit displayed by all schools was outstanding, and every competitor should be commended for the fantastic sportsmanship shown throughout the day. Well done to all the students who represented Ellenbrook Primary! You are all superstars. I could not be prouder of our students' performances — your sportsmanship, teamwork, and effort were 110%!

A special thank you to Miss Collins, Mr Cain, Mr Jessani, Mrs Moore, and Mr Grantham — your dedication and support made the carnival the success it was. Thank you also to all the parents and spectators who came along to cheer and support our students. Your encouragement means so much and truly shows your support for the school community.

The day was a huge success — and I was super excited that we came 4th overall!
Congratulations, everyone!
Mrs Collins

Preparing for 2026

Are you here next year? If not, please Inform the office.

It is crucial for our planning for next year to have, as much as possible, accurate numbers of students for the commencement of 2026.

2026 Book Lists

The 2026 book lists have been distributed to students. If you did not receive a copy, please visit the school office to collect a replacement.

If you wish to order online it can be done via the Campion website by **21st November.**

Transition into High School Wednesday 3rd December 9:30am-11am

This workshop aims for parents and carers to develop an understanding of what to prepare for as your young person is transitioning into a High School environment, and how this change can be supported.

This workshop will explore:

- High school readiness and changes your young person may be experiencing.
- Supporting routines and different systems when starting high school
- Ways to keep your relationship strong
- What can I do to support myself
