Term 3

Dr Neil MacNeill, PhD, EdD, FACEL

Don't forget- tomorrow (Friday 3rd July) and the first Monday (20th of July) of next term are both School Development Days. Students do not attend.

Best wishes. We are being advised that more and more of our students who are going into Year 7 next year are winning scholarships, and places in Gifted and Talented Programs. Jishnu Gundeboina was offered a place in the GATE program at Ellenbrook Secondary College and a scholarship at SVACS. Congratulations.

Also, we have a stack of students trying out for placements in specialist secondary schools, particularly in football and rugby programs.

Maths support. Lots of parents ask about educational coaching/support for their children. An excellent, and free program is the Khan Academy which supports students from Year 1 to university in many subjects.
