Dr Neil MacNeill, PhD, EdD, FACEL

This term is almost over, and tomorrow is a free dress day.

School Sports Day. What a brilliant day!

The day started off cool and windy but developed into quite a lovely day. Congratulations to Mrs Collins and staff on a great carnival. Parents said that it was the best carnival they had seen for years, and there was not one complaint!

We are grateful to our parents and students for living with the COVID restrictions and making a good day of it.

Thanks to the P&C (Anthony doing the sausage sizzle; Nat and the ladies doing the raffle). The coffee van was a nice touch too.

The Mosh Pit idea worked well and everyone had a chance to watch the finish of the races and then photograph the winners on the podium.

It is always good to stop and remember that these days are for the kids and the circumstances this year certainly make things more difficult, but we got through that. In light of the rain on Friday night and over the weekend, we were really lucky with the weather.

Automatic Responses. Some of the best support that parents can give their children is teaching them the automatic responses that we have listed for you in our school site: <https://www.ellenbrookps.wa.edu.au/curriculum/>

These automatic responses are so important because without them it is like trying to drive a manual car on the freeway without knowing how to change gears!

Fruit trees. As the students have worked out, the loquat (said- "low-ket") trees are fruiting at present. Many of our families are not familiar with this fruit because it is never available in shops, as the shelf life is too short and the fruit is better picked straight from the tree. The trees are behind the library and they are very easy to grow at home.

Have a great holiday. Neil

Free Dress Day – There is a free dress day on Friday 25th September 2020 for a gold coin donation.

Pupil Free Day – Just a reminder there is a Pupil Free Day on Monday 12th October 2020.

Cashless Book Fair – We are having our Book Fair in Term 4 on the 22nd and 23rd October 2020. Unfortunately, due to COVID 19 restrictions we are unable to accept cash, however we will accept card payments.

Swimming Term 4 – Notes for students in years 1, 3 and 5 will be going home in the first week of Term 4. Swimming for these students will be in weeks 5 and 6.

Advance Placement Program – This Term, 8 talented Year 3 students were chosen for Miss Saker's and Mrs Martial-Nguyen's 'Sewing 101' AEP course. The students got to select their own material design and strap. Over the course of the unit, the students learnt how to hand stitch material together neatly using a needle and thread. The students finished the course with an impressive multipurpose bag that they made all on their own! Miss Saker and Mrs Martial-Nguyen are very proud of these students and their efforts!

Arbor Grove Dental Clinic – Are open in the school holidays, however closed the first 2 days of the first week (28/09/2020 and 29/09/2020). They are open as usual the other days and for any emergencies. On the days that they are closed the answering machine will have the emergency clinic details.

COMMUNITY NEWS

Volunteers Needed

Do you have some spare time during the week?
Are you keen to meet people and make new friends?
Well, the Ellenbrook Primary School Canteen needs you!

If you can spare a couple of hours during the week in the mornings, Bec and Kallee would greatly appreciate some help preparing recess and lunch for our students. It's as simple as making a few sandwiches or sorting orders into baskets!!
